

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + Make non-commercial use of the files We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + Refrain from automated querying Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + Maintain attribution The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + Keep it legal Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at http://books.google.com/

A propos de ce livre

Ceci est une copie numérique d'un ouvrage conservé depuis des générations dans les rayonnages d'une bibliothèque avant d'être numérisé avec précaution par Google dans le cadre d'un projet visant à permettre aux internautes de découvrir l'ensemble du patrimoine littéraire mondial en ligne.

Ce livre étant relativement ancien, il n'est plus protégé par la loi sur les droits d'auteur et appartient à présent au domaine public. L'expression "appartenir au domaine public" signifie que le livre en question n'a jamais été soumis aux droits d'auteur ou que ses droits légaux sont arrivés à expiration. Les conditions requises pour qu'un livre tombe dans le domaine public peuvent varier d'un pays à l'autre. Les livres libres de droit sont autant de liens avec le passé. Ils sont les témoins de la richesse de notre histoire, de notre patrimoine culturel et de la connaissance humaine et sont trop souvent difficilement accessibles au public.

Les notes de bas de page et autres annotations en marge du texte présentes dans le volume original sont reprises dans ce fichier, comme un souvenir du long chemin parcouru par l'ouvrage depuis la maison d'édition en passant par la bibliothèque pour finalement se retrouver entre vos mains.

Consignes d'utilisation

Google est fier de travailler en partenariat avec des bibliothèques à la numérisation des ouvrages appartenant au domaine public et de les rendre ainsi accessibles à tous. Ces livres sont en effet la propriété de tous et de toutes et nous sommes tout simplement les gardiens de ce patrimoine. Il s'agit toutefois d'un projet coûteux. Par conséquent et en vue de poursuivre la diffusion de ces ressources inépuisables, nous avons pris les dispositions nécessaires afin de prévenir les éventuels abus auxquels pourraient se livrer des sites marchands tiers, notamment en instaurant des contraintes techniques relatives aux requêtes automatisées.

Nous vous demandons également de:

- + Ne pas utiliser les fichiers à des fins commerciales Nous avons conçu le programme Google Recherche de Livres à l'usage des particuliers. Nous vous demandons donc d'utiliser uniquement ces fichiers à des fins personnelles. Ils ne sauraient en effet être employés dans un quelconque but commercial.
- + Ne pas procéder à des requêtes automatisées N'envoyez aucune requête automatisée quelle qu'elle soit au système Google. Si vous effectuez des recherches concernant les logiciels de traduction, la reconnaissance optique de caractères ou tout autre domaine nécessitant de disposer d'importantes quantités de texte, n'hésitez pas à nous contacter. Nous encourageons pour la réalisation de ce type de travaux l'utilisation des ouvrages et documents appartenant au domaine public et serions heureux de vous être utile.
- + Ne pas supprimer l'attribution Le filigrane Google contenu dans chaque fichier est indispensable pour informer les internautes de notre projet et leur permettre d'accéder à davantage de documents par l'intermédiaire du Programme Google Recherche de Livres. Ne le supprimez en aucun cas.
- + Rester dans la légalité Quelle que soit l'utilisation que vous comptez faire des fichiers, n'oubliez pas qu'il est de votre responsabilité de veiller à respecter la loi. Si un ouvrage appartient au domaine public américain, n'en déduisez pas pour autant qu'il en va de même dans les autres pays. La durée légale des droits d'auteur d'un livre varie d'un pays à l'autre. Nous ne sommes donc pas en mesure de répertorier les ouvrages dont l'utilisation est autorisée et ceux dont elle ne l'est pas. Ne croyez pas que le simple fait d'afficher un livre sur Google Recherche de Livres signifie que celui-ci peut être utilisé de quelque façon que ce soit dans le monde entier. La condamnation à laquelle vous vous exposeriez en cas de violation des droits d'auteur peut être sévère.

À propos du service Google Recherche de Livres

En favorisant la recherche et l'accès à un nombre croissant de livres disponibles dans de nombreuses langues, dont le français, Google souhaite contribuer à promouvoir la diversité culturelle grâce à Google Recherche de Livres. En effet, le Programme Google Recherche de Livres permet aux internautes de découvrir le patrimoine littéraire mondial, tout en aidant les auteurs et les éditeurs à élargir leur public. Vous pouvez effectuer des recherches en ligne dans le texte intégral de cet ouvrage à l'adresse http://books.google.com

L'here in va toujours croisint, hereny in continually aprending. Hass. Le jen, l'amour, l'orgueil, l'ime et et l'envie des boorgeois et des grands vont tourmentant la vie, the lives of the upper and middle classes are continually tormented by gaminy, love, price, inter-est and enry. Andr. — en unumencommence of summay, was print, was est and early. And: — en augmentant, to go on increasing, diminishing. Mon esprit duminoe, an free qu'à chaque instant on aperçoit le vôtre — en augmentant, my faculties diminish, and manufance on mercipe. whereas at each moment, one can perceive that yours are increasing. La feat.

whereas at each moment, one can percise that yours are increasing. La f. mt.

2 (se divise) to proceed, to more. Une girouette va seon to vent, a weathereock follows the direction of the wind.—

20-devant de quelqu'un, to yo to meet a pers n. fig. Ma life est babitine à ôtre courtisée, ce u'est pas à elle à — audevant de vous, my deughter is accustanted to be coarted, it is not for her to make advances. G. Saud. fig.——audevant des hesains, des lésirs de quelqu'un, to mite pare the monts, the winkes o' a person. Sa mére altait audevant de tous person. Sa mére atlait au-devant de tons ses desirs, his mother auticipated all his wirker. Nod - Le fen va où sa nature le porte, fire coen where its nature corries contre le coutant de l'au, lo go against the stream. — contre vent et marce, to go against wind and title. Cette chaîne de n ontagnes va an midi, /his chain of mountains proceeds to the south. Ce moving towards the East. — son chemm, to go straight on tig. to pursue one's design. fig. — le droit chemin, to be upright

en one's dealings. Og. — son petit bon-bonne de chemin, to make one's way in the world quietly. Og. — on grand chemin, to act openly and housely. Og. — à tout vent, to be unstable, to be infinenced.

A (se rendre) to go, to repair, to belake one's self—de Paris à Londres, to yo from Puris to London.— u'un endroit à un autre, to yo from one p'ace to ano-ther. Le jenne prince allait de cour en cour, the young prince went from court to court. Lamart. Les évêques allaient d'un camp & Paut e, the bishops kept going f om one camp to unother. Aug. Th. Va mon enfant bent d'une famille à l'autre, 100 mg en'am best of the tamin's cauty, young bleaned doughter, from our family into his, V. Hug. II.,—de plaisir en plaisir, to be whirled along in the ro-tex of pleasuren, lig. — de surprise en surprise , la be more and more aurpr ned. lig — d'esperance en esperance, to be led on ly hope V. Hug. ng. L'homme va tonjours de douleur en douleur, the life of man is but s' ra'e of week. Chat. — aux Indes, to yo to India — en Amérique, to yo to America. — à - en Amerique, to go to America. — a la ville, to go to the town, to yo up to town.

Lo you up to town. — à la campagne, to go to the country, to go down into the country. — à teglise (psqu'a l'e-lise) to go to the church, (à 'toffice) to go to thereb.

— à la mosse to go to were to fo to the charten, to the church.

— at messe, to go to muss.

— au marche (jusqu'au marche) to go
to the murket, an fur as the murket, —

to the an theatre, an speciale, to go to the the tre, to go to the play. — an bal, to go to a ball. — en sonée, to go to a party. — an concert, to no to a concert. — an bain, to no and take a buth. — a la chasse la courre) to no lunting, (a tir) is casse is course) to go handing, (a tir) to go shot ig. — à la pichte, to go fishing. — à l'armée, to join the ormy. — à la gioire, to go where glory cults y is. — a la mort, to meet deut i. — an teu, to go to the fair. — à la marante, to go to the fair. — à la marante, to go ma quating — a la very source to go to canots all ient sans cesse du navire à terre, boats kept up a constant communicetion between the reusel and the shore. Cette intere est vieille, a lez vite au gre-nier, this strum in old, go queckty to the loft and f. tek some other. La Font. Mes jambes, a leur bur, front où vous vondrez, in return my lens will walk for you. Fior. Pierrot en allant dans le monde en a pris les vices e egants, Pierret by frequenting society, has adopted its elegant vices. The Gaute Elles vont an hatme les prices. Th Gaut. Elles vont an batm. les nombreuses al eilles, noume of beer go in quest of booty. La Font. Hier, fetais alle dans un saint lieu, gesternay t repaired to a surred place. Lamari. — a quelq lun, lo yo to a person, lig. to apply to a person. Its aller ut a lui et voulment lui sire leur ratson, they went to him and

wanted to state their reasons. Monte q fig. — en justice, to yo to law. — à sa perte, to take the road to rain, to destraction. - an ciel, to to to heaven. fraction. — an enel, to to to home. Be vals to us toute chose, ou vals a feuile de rose et la feuile de laurier, I to the way of all things, there where heavily and tory yo. A.n. Tous 'es poiss vont à la more, le denier y arrive, erery day is a step towa du death, the last ultums the youl. Mass. of varies ett. fa valle vie, whereever the mind lads, the life follows. Lamatt. Le rève et le brunfe vont on vi Is not, drame and for wait upon night. V. Hog. Nos peres et nos meres sont alles on nons from tous, our parents are gone the way of all flesh. V. Hog. — au but par le chemon le plus court, to go the shorte t way to work. He ureus celoi qui n'alia pas apres les richesses, plus heu eax qui les refusa quand elles atterent à lui, happy he who did not pursue wealth, hap ier will he who rejected it when it came to meet him. Fresh prov. Tant vs la cruche a fean qu'à la fin elle se casse, the pitcher that goes too eften to the well in unre to be broken.

B (parcourir un certain e-pace, s'avancei) to go on, to propress, to whence. Je
ne veux — qu'à deux tieues, I will not go
farther than two leupses. Je vais à oeux
pas, I am going two stepn of Je u'irai
pas plus loin, I will go no farther. Je
n'na pas plus loin, de peur qu'on ne u'epe, I will not 40 farther, lext i should be
watched, Lamart. — trop oun, to go tov
far, to averstep the mark, Ug. Cela va
trop loin, it is going too far. Ug. Ean,
Nations pa p'us tom, let us drop the subfect. Ug. — loin, to rise in the world.
Ug. Ce j une homose ura boin, the young
man will make his way in the world.
Ug. Le malade u'ira pas boin, the patient will 8 (parcoerir un certain e-pace, s'avan-Le malade u'ira pas loin, the patient will not lire long, prov. On va bien loin depuis qu'ou est las, we must no verbe disheur eneil. qu'on est las, we man in ver or mont ac enco. Jo venx — jusqu'an bout de la vide, I want to got the end of the town. Nous vi-rous que jusque-la, we shall not go any further, hy, it va sur quinze ans, he will soon be fifteen years old, he in turned of function. By.— insul's) bout, to nee a fourteen. fig. - jusqu'a i bout, to nee a thing a.t. fig. Les premiers vont devant, first come, first served.

6 (s'etendre) to go, to reach, to extend. La veine cave va du foie au cœue, the rena cara grex from the liver to the heart sonterrains attaient des chambres basses somerrains aliabet the chambers bases jusqu'à l'abbaye, the und-ground passaugen extented from the lower rooms as for as the abby V. Hig. Ses chevens his yout jusqu'à la ce more, her hair reaches down to her waist.

fig. Ses paroles vont à l'âme, his words sink into the soul. Ces accents vont an cour, these accents sink down into the cour, these arcents sink down into the heart. Be aven gens que voils teurs wong me vont an ewar, what excellent people, ther winher go to my heart. t. Det Les passions des bomnes sont auta. de chemins onver's pour - 2 eux, it is through men's pussons that you have access to them. Vany. C'etait le sent homme par qui la vérité allatt encore au pied du trône, he wax the only man through whom trath had access to the throne. Un magistrat allalt pars u no r to a la premiere dig ité, a may strate uttained the highest dis nitres through his own merit La Bruy. It n'y a point de route plus sûre pour — au bon-heur que celle de la vertu, there is no surer path to happiness than that of retine. J.-J. Rouss. Son nom to a la posterité, his name will be handed down to posterity. his name will be handed down to pode ity,
— an ciel, to gain heaven. — any mos, to
be praised up to the a y. Jamas Part du
paysayeste n'est aller plus tone, the art of
the landscape-painter was n'er carried
farther. Th. Gaut. Dites-mons jusqu'où
Paffection doit — 2 tell wa how far affection ought to be carried? Son amont va
ince a controller to the beautiful to the carried to the jn-q da la folie, his fore is carried to disjusqu'à la tone, an tore rearres to ant-traction. Les acclamations et la joie al-laiem jusqu'à la demence, the shouts and joy were frante. Volt Leur abstineure ri deu e allait jusqu'à foire un crime de manger de la chair des a manx, their riauculous abstineure was ca ried to such an execus that they considered it a crime to eat firsh. Boss. Quant c'e au une voix de fem e, ses transports alla ent jusqu'au delire, when it was a women's roice, his enthusiasm knew no lonnan. No:

7 (fonctionner) to work, to perfirm, to cperate. Cet e hocloge va bien, th a clock yo s well. Gette pendule va in t jours, thin is an eight d y clock. Son ponts va vite, his pulse beats first. Sa digestion va bien, va mat, his d y stion is cood, is bud. Le on va, the five baron welt. Celava tout se I, sans dire, d follows as a m Her of course.

8 fig. (du temps, of time) to adrance, to ran en, to fly. Le temps va toujours,

time runs on, time flies, time waits for no man. Runs ne va plus vite que le for no man. Then he va pas vive que le lemps, notring gliden many faster than time Ce traval-là ha bien à deux se-manies, it will take two weeks to do this work. La session ira ju qu'en mons d'audt, the sennon will lust till the month of Alig al.

u fig. (d'une somme, d'un nombre) to rise, to amount, to come (2, to). La de-pesse ira clus loin qu'on ne croit, the expenses will amount to more than in expert d. Les no cycles leves von à cent mi le hommes, l'ie fresh levies amount

to a hundred thousand men 10 flg. (gir) to act. It va confre ses interests, he och aga ust his own interest. Je vous els cela, pour que nous n'altions pas an has rd. I t.tl you thin, t'ut we may know what we are about; how to act. contre la vo onte, contre les intertions, convertes or reside quelqu'an, to act of a person. Ce seran - contre tous les usage- rigis, it would be a breach of decorum. Ce gare n va de mal en pi this boy behaves worse and worse. Ce un homme qui va dro t en tout. ke is a wery upright man, — vit. en besogne, to be hasty, it va comme on le mene, he han no will of his own.

(avec la particule expédive y, with the expédire particle y) II y va de bonne foi, he is sincere in what he down. It n'y lant [35]—st rudeme t, you must not yo so roughly to work. Comm vous y allez, kow y.u go. Y - ban eu vous y allez, kow y.u go. Y - ban eu vous y allez, kow y.u go. Y - conde-Buent, y de franc jen, to go struight-forward. Ny pas — de main morte, to strike hard, to employ all one's strength; to yo at it tooth and nil. Il ne laut pas y — par quatre chemins, you mus' not mince the m tt r. Y — comme une cornei le qui abat des noix, to yo ut it

1) fig. (se porter) to be, to do. Comment

4) flg. (se porter) to be, to no. tounnent allez-vous? how do you do? It ne va pas bien, he in not well. Ma sante va de mieux en mieux, my heaith in yetting better and better.

4) flg. (marcher) to yo, to progress. L'affire va son train, the affair is progressing, the thing in in fair way. Les yous n'out maint de houte de faire—le gens n'out point de houte de fane - le mal de pis en pis, people never neruple to increase the eril. La Font. Sil en est after case the eth. Las running and values and a sinst tout fra de soi - nême, les choses front tomes seules, in that case, alt will go on well, as a maller of course. Le commerce va bien, trade in brink, commerce ne va pas bien, ne va pas fort, trace in dull. Les affaires vont à son-. hunineun goen us well as can be wished. C'est une maison qui va en dé-cadence, it is a house en éts décline. La chose al ait à bi n par son sois citigent. things went on awimmingly, thinks to her things went on automating, incomes one agentions care. La Font. Tont va sens dessus d ss us, all in topay-tarry, at six a and serens. Ainst va ta vice le monde sach is the way of the world. Tont va le ni ux du monde chez moi, erery thing yoes on as right as possible with m Tout va e'on mes desirs, tout va à sonhait, every thing falls in with my winhes alta de faç a q c'il ne vit p as ancua poisson, the result was that he ne longer saw any fish. Let Fout. No s voolons que tout at le bien cans la malson, we wish every thin j to go on well in the house. G. Sand. A force se wal -, tout ira bien, when things ore at the worst, they begin to mend. Cette conserued in va vite, this utiling is rising rapidly. Son affaire ne va pas vite, that uffuir of his docs not no on at a vice, not again of his document has no mile are of pace. Ces alloes vont lien lentement, these trees grow mp slowly.

de vair, to be equal, to be on the same foo ing. Ia.n.—de pair a compa non avec quelqu'un, to be half fellow well met. Cela va de suite, l'un ne va pas sans l'autre.

that follows as a matter of course. La porte dinc éponse ne va pas sans son-pirs, the loan of a wife in not nuccompr-nied by sight. La Fint. Lea va par-cessus le marche, that in given into the burguin il en va de, il en ira de, the quention is, will be. It en va de cette affaire comme de l'autre, this affair turns out line the other II not ira pas de cela comme vous pensez, it will not turn out au you think Is fout blen qu'il en aille alosi matictx must go on so

43 flg. (èt:e configuré) to take the form 43 llg. (Cire configure) to take the form of, to be shaped. Cire a 'ie' va en pente, this is a sloping walk. Pyrandics qui vont en pointe, pyramida terminating in a point, ie a va en roud, en long, it takes a remail, a long shape. Ce senter va tout doit, en serpenant. The path is strictly, is winding. Crite étoffe va de blais, the ateff in cut unlant.

44 fig (mener) to lead. Ce chemin va droit a la ville, this road leads to the town. prov. Tous chea ins vont à Rou.e. there is more than one way of doing a thing.

15 fig. (tendre a) to lend (lo), lo a m. lo drive (al). Tous ses vœux vont a la paix, all his wishes are for peace. Teus s s vœux vont an clel, all his wishes aspire to heuren. Mol. Ap rouverous nous les pensees et les expressions qui ne vont qu'à plaire, shall we approve such thoughts and words as lind only to please. Fen Consolation bien miserable, puisqu'elle va non pas à guerir te mat, mais a le cacher pour un peu de temps, a poor consolution, indeed! since it dees not nim at caring the er l, but on y at conceul my it for a short l'asc.

ne trasc. 40 fig. (s'adapter) to fil, to auit. Cette if va., ne va pas à cette se rote, this is clef va. the right key, not the right key.
